

Leeds Migration Partnership

A new structure to ensure migrant community members and organisations have their voices heard, and influence Leeds City Priorities

Information Group

Combining the current Leeds Multi Agency Meeting Blog, and Leeds Migration Partnership Email Group
Members share local info of interest, moderated by LMP members.

Operations Group

Replaces the quarterly Leeds Multi Agency Meetings. Frontline staff and activists share detailed information and good practice at themed meetings. Aims to network staff and activists, and feed into Strategy Group.

Strategy Group

Replaces the quarterly Leeds Migration Partnership meetings
Members take on themed pieces of work. Aims to influence City Priorities using intelligence from Operations Group and Strategic sub-groups.

Voice and Influence

All activities seek out the voices of individuals and groups connected with migrant communities
via Migrant Access Project, Refugee Community Organisations etc.

Outcomes

- Greater clarity of role
- Improved accountability
- More effective use of time
- Reduced duplication
- Stronger strategic influence
- Greater impact
