

Help design a Guide to Leeds for new refugees

If you are a refugee, living in Leeds we'd like your help, in exchange for £15.

We want your opinions on what a step-by-step guide to settling in Leeds should look like.

The Guide will include details of where to go, what to say, what agencies will want from you and what you can expect from them.

Tell us what you think at one of the focus groups

Focus groups will be held on
