

Bridging the Gap:

Migrant Communities in Leeds

Collective Issues, Collaborative Solutions

Celebrating migrant communities contributions to Leeds ambition of being a welcoming and compassionate city

Tuesday 19th December 1pm—4pm

Banqueting Suite, Civic Hall, Portland Crescent, LS1 1UR

This **invitation only event** brings decision makers in the council and city together with community leaders to understand collective issues and identify collaborative solutions in supporting new communities

The outcomes of the event includes:

- Community leaders sharing their knowledge and experience of bridging the gap to improve access to services, and contribute towards the city's ambition of being a welcoming and compassionate city
- Exploring with decision makers how these contributions can be maximised through enhanced engagement and partnership working.
