Preparing communities for the world of work

BOARD OF TRUSTEES VACANCIES

We are seeking additional Independent Board members to join the Board of PATH.

PATH Yorkshire is a registered charity and one of the leading positive action training organisations in the country, working in partnership with academic, business, statutory, public, private and voluntary sectors. PATH seeks to address under representation in the labour market and to promote inclusion for Black, Asian and Minority Ethnic (BAME) and other disadvantaged communities in Leeds and the Yorkshire region.

Our Board members are appointed for a term of 3 years, which may be extended for a further 3 year period. The Board meets in the early evening at least four times a year, together with an away day and Board sub group meetings amounting to a minimum commitment of 9 times a year. Although the trustee positions are voluntary, authorised out of pocket expenses will be reimbursed.

The organisation has just completed a strategic review and is starting a new and exciting phase. This is therefore an ideal time for additional Board members to contribute to the future of a voluntary sector organisation with over 30 year's proven experience of reducing inequalities in employment, education and training participation levels for disadvantaged groups.

We are particularly looking for Board members who can add to the experience and knowledge of the existing board in relation to: marketing, finance and employment and training sector knowledge. However we would also welcome a conversation with you if you have other skills that you feel would be useful on the Board, and are keen to join us

PATH values diversity and encourages applicants from all sectors of the community.

To apply, please send a CV and covering letter detailing your reasons for wanting to become a PATH Board member to Daniel Mundet on daniel.mundet@pathyorkshire.co.uk or by post to PATH Yorkshire, 29 Harrogate Road, Leeds LS7 3PD. Please mark the envelope or the e-mail heading "Trustee Application".
