

Leeds City Museum migration projects

In 2019 we are exploring the theme of migration through a number of exhibitions and displays.

These projects will showcase the stories and experiences of those who have made a home in Leeds in the past 250 years, and will discuss the impact that migration has had on Leeds.

Tell us your story

Why did you choose to come to Leeds?

What did you think of Leeds when you arrived here (compared to where you came from)?

How were you treated when you first arrived?

Do you keep any belongings to remind you of where you have come from? If so why?

How do you think migrants contribute/have contributed to Leeds as a city?

We may use your answers anonymously in our projects. Please tick here to let us know that you're happy with that.
