

ABOUT OUR TUTORS

Luke, Jadwiga and Steve are our fully qualified ESOL teachers with many years of teaching experience and unique passion for the subject. They're highly motivated in helping young people improve their English skills and change their lives for the better. They design and deliver English lessons with relevant and up to date topics which help students to engage in a fun way and improve their reading, writing, speaking and listening skills. They believe if learners are interested in what they are being taught and have fun at the same time, they will learn the language quicker.

ARE YOU SEEKING TO IMPROVE ENGLISH AS YOUR SECOND LANGUAGE?

English opens many doors in life and can be your route to a successful future. Whether you are learning for your education, your career or simply for an incredible life experience, we will make sure you **reach your goals** while having fun and working in a friendly environment.

This course will enable you to develop your confidence to communicate effectively in your local community and to engage with other learners from different backgrounds and cultures.

Skills you will develop:

- Communication skills
- Reading skills
- Writing skills
- Interpersonal skills
- Study skills
- Presentation skills
- Interview skills
- Organizational skills

What are the entry requirements?

There are no entry requirements. Before the course starts you are invited for an interview and assessment so that we can see your level of English and offer you the right class.

This course offers:

Award in ESOL Skills for Life (Reading, Writing, Speaking and Listening) at the following levels:

- Entry level 1
- Entry level 2
- Entry level 3

THE COURSE ALSO PROVIDES:

- Embedded maths
- Small class sizes to offer more time with your tutor
- Opportunities to improve your employment skills (support with CVs, interview skills)
- A supportive environment
- Short residential visits and trips to local attractions and services so you build your understanding of English life and culture
- Weekly enrichment sessions covering a wide variety of topics
- Opportunity of work experience

How you will be assessed:

- Initial ESOL assessment
- Diagnostic assessment
- Written course work
- Teacher assessment (detailed, specific and descriptive feedback- written and verbal)

A variety of methods will be used to help you achieve: student-centered taught sessions, group and individual projects, role-play, independent work, games, quizzes, educational visits and tutorials.
