

# Healthy Holidays

**Summer 2021**

**Our Community Hub Summer Healthy Holidays programme needs volunteers to help with a range of activities for families**

**We're looking for volunteers to help deliver and support our Healthy Holidays programme!**

For more information please email [healthyholidays@leeds.gov.uk](mailto:healthyholidays@leeds.gov.uk) or visit <https://www.smartsurvey.co.uk/s/HH2021Volunteers/> to make an application.

#### **How you can help:**

- Support children and young people to have a fun and safe day;
- Ensure those taking part have access to water and refreshments;
- Answer questions that children might have about the activities;
- Help serve up lunch (we can provide access to a Level 2 Food Hygiene qualification for people who are volunteering with us for over a week)
- Keep the venue tidy and safe for everyone taking part

The scheme will take place for children and families from **Monday 2nd August to Friday 3rd September**, every week for 4 days a week.
