PROJECT OVERVIEW

 BEESTON HILL.

 HOLBECK.

 SEACROFT.

 NEW WORTLEY.

DEVELOPING SYSTEMATIC AND SUSTAINABLE CHANGES IN PHYSICAL ACTIVITY LEVELS USING A CO-PRODUCTION APPROACH.

The Vision

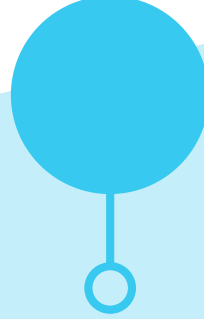

“For people to have the opportunity to contribute to, be valued by, and be involved with where they live. For these communities to recognise their assets, forge strong, meaningful connections with one another and feel able to make the changes they want to see in relation to living in a physically active place. That the learning from these communities is shared with the rest of the city so that other people can start to lead a more active life too.”
