**What skills or experience do I need to join this course?**

**What else do I need to know? Is there anything I need to provide?**

- You will need a personal email address to join the WEA's digital learning platform, Canvas so that you can receive resources, record your progress and achievement and to work with others and share ideas. If you want to understand more about our digital learning platform please visit: <http://bit.ly/WEAonline> - All materials will be provided

**Course aim:** This session will provide you with information about the Community Interpreting courses we offer that are accredited through Certa. You will be asked to complete an assessment task that will help us to see which course is right for you.

**Course description:** During the session we will discuss your skills and experience with you, talk to you about the courses available and ask you to complete a task to see which course is right for you. We will talk to you about our courses and provide you with information about the work you will need to complete during your studies.

**By the end of the course I will be able to:**

1. Recognise the range of WEA Community Interpreting courses available
2. Identify the skills I have, need and will develop during a course
3. Agree whether I will be able to/ am ready to undertake an accredited course
4. Prepare for enrolment or referral to other learning opportunities

**How will I learn?**

We expect you to attend your classroom sessions and make time to do any required learning activities on your own.

The WEA tutor will use a range of teaching and learning activities and encourage you and the group to be actively involved in your learning. Your tutor will use tasks to see how you are learning, which may include quizzes, question and answer, small projects, discussion, written or practical work. Your tutor will give you feedback on your learning and progress.

**WEA Canvas online learning area**

Whether your course is face to face or online, the WEA uses its online learning area, called Canvas, to support your learning. This includes using Canvas to think about and record your progress and to give your tutor and the WEA feedback on your course. Your tutor may put resources or activities on Canvas to use during or between lessons. If you want to understand more about our Canvas online learning platform please visit:

### **WEA online sessions/ courses- Zoom**

If your course is online, you will join a virtual classroom using a weblink: the WEA uses a video-conferencing tool called Zoom. To use Zoom you will need a Laptop, Computer, Tablet or Smart phone which has speakers, a microphone and a video camera. For some courses, to submit work, we advise you to use a laptop or computer. For more information on Canvas and Zoom please visit [www.wea.org.uk/help](http://www.wea.org.uk/help)
