

Volunteer Online Archive Researchers Needed

Are you interested in recent history your local area?
Would you like to learn some more skills?
If so, this might be right up your street.

People's Voice Media and LASSN are looking for VOLUNTEER ONLINE ARCHIVE RESEARCHERS for an important project called HOME? that is looking at recent migration in Leeds and across Northern England.

ABOUT THE ROLE

As a Volunteer Archive Researcher you will help to create a database of local newspaper stories that document the experiences of migrant communities in Liverpool. In this role, you will:

Develop archive research skills

Develop digital skills

Develop knowledge of migrants' experiences of life in your local area

Make new connections with individuals and organisations

What time commitment would you need to give?

- Attend online training on **Friday 10th MARCH 2023 at 1 - 3.30 pm**
- Attend and online support session **Friday 24th March at 1 - 2 pm**
- Do independent, online archive research tasks (up to 4 hours) between **10th MARCH 2023 until 24th March 2023.**

You will need use a computer or tablet and connect to the Internet. Expenses for internet use and PA support is available.
