

# Mythley's Story

After a long career in the NHS as a bookings coordinator, Mytherly found herself unemployed when Covid hit.

She was introduced to Smart Works through her Job Centre Advisor when she claimed Universal Credit. Mytherly quickly found a new role in HR.

**“The boost of confidence they gave me was just amazing. You walk out of the charity like a new person and I am forever grateful for the support they have given me. I suddenly found myself full of confidence not just in my work skills, but how I presented myself in what I wore too.”**
