

# Migrant Women in Business

## Breaking barriers - Building dreams

---

### Do you have a great business idea but need help to get started?

Migration Yorkshire has created a specialist project to help you with your business idea. The project will cover all the basics you need to know and will be delivered by a business coach with experience of working with migrant women.

We're offering: 6 x 2hrs group workshops (online & face to face), 6hrs of 1:1 mentoring support, access to peer support and business networks, including The Entrepreneurial Refugee Network (TERN). At the end of the project, there will be an opportunity to apply for an interest free loan through Skylight Venture.

We're accepting applications from migrant women who live in West Yorkshire and who

- have arrived to the UK as a refugee
- are a Hong Kong BN(O) status holder
- have arrived through the Ukraine Family Scheme, Homes for Ukraine or Ukraine Extension Scheme

The programme runs from December 2023 until February 2024

**The deadline for applications is 20th November 2023**

This programme is completely **free**. You can find out more on our [website](#).
